SEND A DAMN DRINK TO YOUR BUDDY

HOW DOES IT WORK?

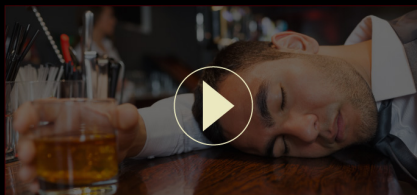

HOW IT WORKS

MONEYSHOT LETS YOU SEND A DRINK TO ANYONE, ANYWHERE!

Anyone who receives a shot from you simply visits the location from which you purchased the drinks and provides the code they received in the MoneyShot email sent to you, or use the MoneyShot app to access the received shot, and redeem the drinks.

MoneyShot allows you to include a custom message with every shot you send, making the experience more personal.
